A Town on the Level ~ Tingley News

Thought:

When we fail to notice, there is little chance for change, or growth.

Welcome to the Semi-annual Tingley Newsletter

Spring is traditionally known for new beginnings. Taking a cue from Spring the Town Council of Tingley has decided to publish a semi-annual newsletter to establish a communication connection with all residents of Tingley. We envision the newsletter mailing to happen mid-March, and the later part of July.

Spring begins March 20th!

With Spring just around the corner, we are all eager for the warmer temps to head our way. As March approaches it is difficult to keep our minds in the moment, it seems thoughts of flowers, and the ingredients for the perfectly laid out backyard veggie garden are marching towards the fore front of conversations, and retail space. Farmers are coming into calving season, and the weather will be watched to get fields planted.

Once again in the spirit of Earth Day, Wednesday, April 22nd, Tingley will be encouraging, and recruiting volunteers to help with the sprucing up of town. Spring is the perfect time to walk your property, pick-up trash, take down Christmas decorations, trim bushes and trees, and make arrangements for large metal debris to be removed from your property.

If any residents are in need of bushes trimmed, leaves raked or want to volunteer to help, please contact Priscilla at 630 340-9460 before April 3rd. Arrangements will be made to access resident's needs and get the work done. The work will be completed on Wednesday, April 15 by HELP POD (high school teens); or K.I.T. (Kids in Touch) a new Tingley club for pre-teens, who will be tackling tasks in the next few weeks. Both groups are volunteer organizations that performed the work free of charge.

Tingley Memorial Park

Have you noticed the changes happening on the corner of Main and Monroe streets? Thanks to the hard work of Bob and Jenifer Johnson, John Allen, Kent Trullinger, and a host of committee volunteers the park is slowly becoming a reality. More cement work will be completed this spring, with the addition of an arbor, flowers and benches.

If anyone is interested in memorializing items in the park by becoming a donor please contact Bob Johnson at 641 340-5409 or Priscilla Alvik at 630 340-9460. There are trees, benches, rocks, cement pavers, a bird bath, and a trash receptacle to choose from, or your donations could be put towards the up-keep of the Memorial Park.

Huge "SHOUT OUT" to **Tek Builders** who donated the cement work in the Memorial Park done in 2019.

Town Tree Trimming

Tree trimming in the Community Park will take place at the beginning of April. The work will be done by Jordan’s Tree Service, 515 782-6035. If you have any large trees on your property that need attention and want a quote, please contact Jordan directly. Pricing is generally less when the quantity of trees needing attention increases, and he will be more than happy to give you a quote.

Future Events

- Wishard Chapel ~ Friday, April 3rd, 5pm
- Tingley Egg Hunt ~ Saturday, April 11th, hosted by the Lions Club
- Elston UMC Women’s Luncheon ~ Saturday, May 2nd, 10 am
- Tingey Cattle Dog Trial ~ June 5th, 6th, and 7th

There’s no elevator to success; you have to take the stairs

Community Building

The Community Building is in need of some “TLC”. Please set aside Saturday, April 25th, from 9am to 2pm to come shine-up the inside of the building. Bring your pail, rags and energy to get the job done!
